MORE INFORMATION

Please, tell us a bit more about your library, pictures are also welcome:

Short description: We are a small library of rural municipality of Liminka in northern Finland. The permanent staff consists of six people: Anu, Sipe, Eija, Kati, Raija and Janne. We like to organize all sorts of happenings in the library and we believe that libraries should be fun places both to visit and also to work in!

Current library programs: We are going to have a new library building in 2012 so that mainly takes our time at the moment.

Please tell us about the kind of activities you would be interested in doing with your sister library:

Mainly sharing experiences about the library world and other cultural activities. Maybe some mutual projects (last year we organized a happening called Pop, poetry & ping pong in our library, yes we like to do funny stuff) and hopefully some day visiting our sister library and/or having them visit us.

Languages your staff speaks:

Finnish, English, some Swedish

Languages users speak/read:

Finnish, English

Preferred countries for cooperation:

Ireland would be nice, but we are open to anybody.

Please, tell us a bit about the features of the library that ideally you would like to cooperate with:

It would be nice to find a library in the same situation as we are i.e. moving shortly to a new building and what possibilities/challenges that brings along.
