Library with more than 500,000 inhabitants

MORE INFORMATION

Please, tell us a bit more about your library, pictures are also welcome:

Short description: we are an small library situated into a small village near of Valencia town. We have about 6.000 volums between books, audio and video materials and internet too. Our library it's about 100 m2 and have got 36 reader seats. All our services are totally free and it's open to all people even foreigners.

Current library programs: by the moment we haven't got any cooperation program with foreign countries. We have spoken tales activities sometimes, reading activities, drawing, etc.

Please tell us about the kind of activities you would be interested in doing with your sister library:

We want to have a sister library and share some experiencies, ways of life and keep in contact with other country. We want to open new expectatives to our youth students and involucrate them into this program. We are a library with very little resources so we cannot spend money in doing it. We want to start a friendly relationship in those that could be possible to cooperate but we haven't got very clear in which program doing it.

Our aims are to learn something about other country and make our library a meeting point between two different cultures.

Languages your staff speaks:

Spanish, English and Valencian (local language)

Languages users speak/read:

Spanish and some English (students)

Preferred countries for cooperation:

Ireland

Please, tell us a bit about the features of the library that ideally you would like to cooperate with:

A little one as ours, so we will be able to compare the methods, organization and activities they make for their inhabitants. We want to put our youngest in touch with their youngest to share safe experiencies by letter, e-mail, etc.

EUROPEAN UNION PROGRAMS

Please, indicate if you are searching partners in other countries for any European Union project:

YES

NO

If yes, for which projects?:

Please, indicate if you are participating in any European Union program:
