

The Korčula Town Library participated in a project by the EU „Youth in Action“ Programme: Sister libraries in action for Youth. The programme supports young people and youth workers not only through financing their projects, but also by providing information, organising trainings and promoting cooperation with partners in Europe and beyond. The project took place from 11.09.2012 to 14.09.2012 in Piekary Slaskie, Poland. The libraries which have been invited : Arucas Municipal Library – Spain, Iisalmi City Library – Finland, Kaunas County Public Library – Lithuania, Korčula City Library Ivan Vidali – Croatia, and organizer was Municipal Public Library from Piekary Slaskie, Poland.

The cooperation between libraries involved exchange of experiences, expertise and good practice between people active in youth work, as well as activities which lead to establishment of long-lasting, high quality projects, partnerships and networks.
