MORE INFORMATION

Please, tell us a bit more about your library, pictures are also welcome:

Short description: Public library Kutina is a cultural and information centre in Town Kutina. Its main aim is to enable access to knowledge, information and cultural events for educational, scientific and study pursuits, lifelong learning to all citizens regardless of their age, sex, nationality, religion, political commitment, education, disabilities, language. Its long tradition, since 1844!, makes it a very important part of town life. We cherish personal approach to the people and it is very important to us for people to feel good in our library, like they are at home.

Current library programs: Art workshops for children and adults, puppet shows for children (the librarians are doing everything – write texts, design scene, make puppets, act), workshops for the third age people “66+” (developing basic computer skills), creative writing competition for children and teenagers.

Please tell us about the kind of activities you would be interested in doing with your sister library:
