

WHAT IS THE READING CHALLENGE ABOUT?

Croatia is a European country worth discovering. We've established a very special cultural bond through the sistership of our library with Vodice Public Library. We want you to know all about it, so we've designed a subtle strategy that'll make you travel mentally to this country and, who knows, maybe you can also do it in your next holidays.

In order to participate in this challenge you'll need to complete three readings:

1. A non-fiction title about Croatia
2. A fiction title from the Croatian literature
3. A novel that takes place in Croatia

If you complete the Reading Challenge by next 15th September you'll participate in the draw of a TRAVEL GUIDE FROM CROATIA that will surely transport you to this Mediterranean country
