Library description

Type of library: Library service with branch libraries

Population served : Between 10.000 and 100.000

Short description of the library : Tauragė District Municipality Birutės Baltrušaitytės Public Library is working to inspire, to encourage and help people to read, to acquaint and learn lifelong. It's open for innovation, creating a professional, friendly and free of cultural, informational and recreational surrounding where everyone can find the best books, the latest sources of information, to spend a meaningful leisure time, communicate and collaborate. It helps to integrate the use of information technology innovation, despite of their age or social status.

Current library programs:

1. TECHNOLOGY. In public library and all its branches there are organized computer literacy trainings for library users where they are trained in computer use, online applications and services. We have 3D printer and organise programming training for kids and adults.
2. CHILDREN. We have a puppet theatre named "Puss ir boots", and we perform a new play every year. Also, we promote the English language learning as we organize mini summer camp "Smiley" and English homework class for children. We are reading in voice for seniors at nursing home.
3. ADULTS. Reading promotion, outdoor reading room, meeting with famous writers and etc. The public and passers-by love our traditional concert in the yard of library "At The Garage".

Activities you want to do with your sister library: We are interested in public libraries which are located in towns of between 20k and 60k population. We are willing to experience new cultures, to cooperate, to share our working methods and to gain new ideas.

Languages your staff speak: English, russian

Languages your patrons speak/read: English, russian
