### Where?

You can participate from home, of course. These are days of #StayAtHome

### When?

The gymkhana will open on Thursday, March 19 and will close on Sunday, March 22, both inclusive. Each participant or team will be able to carry out the challenges at their own pace, completing each day the challenges you want.

However, this gymkhana is free as the wind and, if you want, you can do it in a way autonomous and out of time without the need to send us the challenges. The only difference is that we won't enjoy your adventures, and you will not be part of the ranking that we prepare. You also won't be able to receive the prizes that we have prepared for participants and winners.

## Awards

Starting Monday, March 23, we will publish through WhatsApp and on our Facebook, Instagram and Twitter pages a list with the participants and teams, ordered by the score they get: the ones with a higher number of points will be on the top of the list.

The criteria that we will use for the ranking will be the following:

- 1 point for each challenge carried out (from 0 to 12)
- 2 points for completing the final challenge
- Originality and humor will be taken into account when conducting the challenges
- The time you take in completing the gymkhana will also count. We'll use this to sort the participants that complete all the challenges and prepare the final list.

Those who finish the gymkhana will receive an accrediting diploma, and the winners will be able to stop by the Vega-La Camocha Municipal Library when the confinement is completed to collect a great "librarygift".

Get ready to have fun and enjoy! Let the gymkhana begin!

- Modified proverb: A word is worth a thousand pictures.

Send us the video or photo, or share it as we indicated.

### FINAL CHALLENGE. THE IMPORTANCE OF THE ORDER (PHOTO or VIDEO)

Collect all the challenges. This challenge SCORES DOUBLE. Show us that you are a super tidy person or team and leave the house as it was before starting to play. We want you to show off how well you have done it, so send us or share as we indicated a photo or video collecting the things you have used. Then, you'll have finished the gymkhana Library@Home! You can also send a comment telling us if it was fun.

Remember that it is very important to take care of ourselves, and continue to respect the rules and measures, so that we can return to normal as soon as possible.

Together, we will succeed! Meanwhile ... #stayathome
